

SUBMISSION GUIDELINES FOR THE INTERNATIONAL SEVEN JOURNAL OF MULTIDISCIPLINARY (ISJM)

Title

- Be concise and directly;
- Use keywords that identify the main theme of the paper;
- Avoid abbreviations and unfamiliar terms;
- Be descriptive, but avoid being excessively detailed;
- Use clear and precise language;
- Avoid asking questions or using question marks;
- Use the active voice rather than the passive voice;

Authors

- All authors are required to include the following information:
 - Full name
 - Highest education obtained
 - Institution of affiliation
 - ORCID or Lattes identifier
 - Valid e-mail address.
- Each article may contain up to 12 authors.

Abstract

- It must contain:
 - Background of the problem: a brief description of the research problem that the paper addresses.
 - Objectives: a clear statement of the research objectives.
 - Methods: a brief description of the methods used in the research.
 - Results: a brief description of the main results and findings of the research.
 - Conclusions: a clear statement of the main conclusions and implications of the research.
- The abstract should be 150-250 words in length and should be written in the third person, without citations or references.

Keywords

- Each text should include at least 3 and at most 5 keywords.

Content

- All papers are required to include an introduction, methodology, results, discussion and conclusion.
- The paper must contain a minimum of 15 pages and a maximum of 25 pages, including bibliographical references and notes

References

- References should be listed in alphabetical order by author's last name or by title if there is no author.
- For book references, include the author's name, book title, edition, publisher, place and date of publication.
- Example:
 - Author's last name, first name. Book title. Edition. Place of publication: Publisher, date of publication.
